To All Departments of Government .

Sub Restriction for issuing articles magazines,
other important publications from Orissa Secretariat
Library to outside .

The undersigned is directed to say that it has come to the notice of this Department that number of important publications, reference books, magazines, newspapers etc. are being taken from Library by Government servants for reading purposes. But the same are not being returned immediately as a result of which difficulties are being experienced to supply such publications to other readers. In order to avoid these difficulties, it has been decided that such important publications, newspapers, reference books, magazines and books of important authors which are not available in the market, should not be allowed to go outside in any circumstances. The readers desired such publication may come to the Library and read the publication within the Library premises and return the books after due intimation to the concerned staff of the Library. X

The above decision may kindly be circulated to all concerned for their future guidance .

The receipt of this letter may kindly be acknowledged .
