Sub:-Standardizing domain name, template and content of department website according to Guidelines for Indian Government Websites (GIGW).

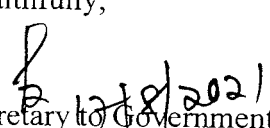

Sir,

With reference to the subject noted above, I am directed to enclose herewith the copy of the earlier letter No. 77(5) dated 04.01.2020 and to say that a meeting was held on 14.01.2020 under the chairmanship of Additional Chief Secretary, Home Department for selection of proposed SWF templates developed for migration of existing websites. In this meeting, the ACS had selected the 3rd template as mentioned in the letter with certain modifications like "the look and feel of the portal will be as per the 3rd template but the Home Page should scroll much downwards and there is no need of early calendar in Home Page" to be incorporated in the new web site.

The resource person of the Developing partner of M/s Uneecops Technologies Ltd. , Miss Damayanti Das was present in the meeting.

The above suggestions of Additional Chief Secretary, Home Department may be incorporated in the website. Further, this Department agrees to change the domain name "[https:// home.odisha.gov.in/](https://home.odisha.gov.in/)" instead of the existing one i.e <https://homeodisha.gov.in>. The contents of the Home Department portal can be downloaded from <https://homeodisha.gov.in/> . However, additional content, if any will be provided during the development phase.

Yours faithfully,

OSD-cum-Special Secretary to Government.
